SPOKANE GIVES WELCOME
TO "GOLDEN SPECIAL"

Women Meet Chill In Butte, Mont.,
bat Warm Up Over Recep-
tion Further West.

SPOKANE, Wash., Oct. 18.—Spokane entertained the women of the Hughes "Golden Special" with a dinner, and then turned out at a mass meeting to hear what they had to say, after the Montana miners at Butte had turned the cold shoulder to the expedition.

Former Senator Albert J. Beveridge, who spoke from the same platform at Butte with the women, did not make any mention of the special, although he was expected to place the seal of Republican campaign approval upon it.

Mrs. Raymond Robbins, who was expected at Butte, remained in Helena for the Fairbanks meeting, to show that the failure of the candidate for Vice President to endorse the special did not mean an open break. Montana women were much disturbed for fear the Eastern women would take up local issues in their enthusiasm for the candidacy of Miss Jeannette Rankin, candidate for Congress at large. They were urged to talk only of Hughes.

REGISTER TO-DAY.
To-day and to-morrow are the last days of registration. Registration places open to-day from 5.30 P. M. until 10.30 P. M. If you do not register you cannot vote.
